22 spay/neuter clinics held where **782 cats** were spayed/neutered, avoiding hundreds — if not thousands — of unwanted kittens. Since G.A.I.N.’s formation in 2014 a total of **3,752 cats and kittens** have been altered through these clinics.

59 dogs were altered through local veterinarians or low cost clinics through the Mike Harrison Memorial Fund.

45 pet owners were assisted through G.A.I.N.’s Companions program, which provides vet care for lower income pet owners.

137 pet owners were assisted through our pet food bank, funded entirely by donations and an ongoing bottle drive, ensuring **over 500 cats and dogs** did not go hungry.

1/3 of those helped were **senior citizens** or **pet owners with disabilities**.

315 cats and kittens were adopted into loving homes through G.A.I.N.’s foster program. In addition, **25 barn cat placements** were made through our new “**Cat Conservation Corps**” working cat program.

31 dogs were adopted or transferred to other rescues through G.A.I.N.’s foster program.

Cost of G.A.I.N. programs in 2019: **\$44,647**
