## Cat or Kitten Adoption Contract

**Date** \_\_\_\_\_

I acknowledge that I am 18 years old or older and accept the responsibility for the care of the pet received from GAIN. I agree to be bound by and comply with the following terms and conditions:

I will provide proper and sufficient food, water, shelter and kind treatment of the pet. I will maintain vaccinations as required by normal veterinary care. If any signs of illness or injury occur, I will seek out appropriate veterinary treatment at my expense.

The intent of the adoption is to place a cat/kitten in a loving home environment for a lifetime. If at any time this is not possible and I can no longer care for the pet, I will seek out GAIN and request help with placement. I understand that taking the cat/kitten back into GAIN's foster program is dependent on available foster homes at that time and a minimum of 14 days notice is required. The cat/kitten should never be taken to an animal control shelter or agency. GAIN will make every possible effort to rehome the pet through another rescue if we cannot take the pet.

I agree that the adoption fee is a monetary donation to the general care fund of GAIN and not a specific purchase price for the cat/kitten. I understand that none of the donation to GAIN associated with this animal is refundable. I also understand that any expenses from the date of adoption forward are my responsibility as adopter.
